

Woodslee Word

What a fabulous week of learning it has been! Our Key Stage 1 pupils and staff have been working hard this week on their SATs. The children may have been telling you about the quizzes they have been completing. We celebrated Outdoor Learning Day by each class utilising our fantastic outdoor provision.

Mrs McShane
Headteacher

Year 1/2 Nature Walk. On Friday 26 May 2017 we will be taking Year 1/2 children on a nature walk around Brotherton Park to support their Science learning. This takes place on Parents' Afternoon so we would like you to join us for some tree spotting activities. We will leave school after lunch at 1.15pm and return by 3.15pm. Children will need to wear outside clothes and wellies or trainers. Please let your child's teacher know if you are able to join us.

Data Collection Forms. Data collection forms for Years 2 and 6 have been sent home today for parents to check that we have the correct information on our system. Please make any necessary amendments and return the signed form to school.

Calling all reading volunteers! If you could commit to an afternoon once per week or an hour to hear some of our fantastic children read then you would be more than welcome. Please join Mrs McShane for a Reading Revolution meeting on Friday 9 June at 3.00pm in school where we will discuss the volunteers policy and our plan!

Building work. Thank you for your patience and cooperation with our building work, we are always striving to communicate as best we can with you and we appreciate that we have had to react quickly in response to issues that have arisen! This has resulted in us making key changes to our home times. We will resume our 3.30pm finish once the building work is complete in September 2017.

Congratulations to Mrs McGowan! We are extremely blessed to have Wirral's Most Inspirational Teacher as part of our school team. Mrs McGowan accepted her award on Wednesday evening and she was nominated by her pupil, Tommy Fisher.
